

ST. JOE RANGER DISTRICT ROAD CLOSURE

IDAHO PANHANDLE NATIONAL FORESTS

Pursuant to 36 CFR 261.50(b), the following act is prohibited on lands administered by the Forest Service within the Idaho Panhandle National Forests:

Using any type of motorized vehicle on the following described National Forest road/bridge which is closed for public health and safety (36 CFR 261.53(e) and 261.54(a)):

Little North Fork Clearwater Bridge #1268, T44N, R5E, SE ¼ NE ¼ Section 10, B.M., road will be closed November 4, 2009 at approximate mile marker 5.7. When low water conditions allow, a bridge inspection will be scheduled to determine if the bridge can be reopened for the summer and fall.

This restriction is in addition to those stated in Title 36 Code of Federal Regulations, Part 261, Subpart A and becomes effective on November 4, 2009 and will remain in effect until rescinded or revoked. This closure is necessary for public safety due to severe flood damage of the road and bridge approach.

The following individuals are exempt from this prohibition pursuant to 36 CFR 261.50 (e):

1. Any Federal, State, or local officer or member of an organized rescue or fire fighting force.
2. Persons with a permit from the District Ranger, in their possession.

Signed at Coeur d'Alene, Idaho this 5th day of October 2009.

for RANOTTA K. McNAIR
Forest Supervisor

Violations of these prohibitions are punishable by a fine of not more than \$5,000 for an individual or \$10,000 for an organization, or imprisonment for not more than 6 months, or both (16 U.S.C. 551 and 18 U.S.C. 3559 and 3571).
